

# Safeguarding Policy

---

## Purpose

Our charitable activities include working with vulnerable people. The purpose of this policy is to protect them and provide stakeholders and the public with the overarching principles that guide our approach in doing so.

## Lead Trustee

A lead trustee will be appointed to provide oversight of safeguarding and to lead on any incident investigation and reporting.

## Applicability

This policy applies to anyone working on our behalf, including our trustees and other volunteers.

Partner organisations will be required to have their own safeguarding procedures that must, as a minimum, meet the standards outlined below, and include any additional legal or regulatory requirements specific to their work.

## Principles

We believe that:

- Nobody who is involved in our work should ever experience abuse, harm, neglect or exploitation.
- We all have a responsibility to promote the welfare of all of our beneficiaries, staff and volunteers, to keep them safe and to work in a way that protects them.
- We all have a collective responsibility for creating a culture in which our people not only feel safe, but also able to speak up, if they have any concerns.

## Types of Abuse

Abuse can take many forms, such as physical, psychological or emotional, financial, sexual or institutional abuse, including neglect and exploitation. Signs that may indicate the different types of abuse are at Appendix 1.

## Reporting Concerns

If a crime is in progress, or an individual in immediate danger, call the police, as you would in any other circumstances.

If you are a beneficiary, or member of the public, make your concerns known to a member of our team, who will alert a senior member of the charity.

For members of the charity, make your concerns known to the Lead Trustee with responsibility for Safeguarding. If you feel unable to do so, speak to the Manager.

The Trustees are mindful of their reporting obligations to the Charity Commission in respect of [Serious Incident Reporting](#) and, if applicable, other regulator. They are aware of the Government [guidance on handling safeguarding allegations](#).

## Responsibilities

**Trustees.** This safeguarding policy will be reviewed and approved by the Trustees annually.

The Trustees are aware of and will comply with the Charity Commission guidance on [safeguarding and protecting people](#) and also the [10 actions Trustee boards need to take](#) to ensure good safeguarding governance.

A Lead Trustee will be given responsibility for the oversight of all aspects of safety, including whistleblowing and H&SW. This will include:

- Creating a culture of respect, in which everyone feel safe and able to speak up.
- An annual review of safety, with recommendations to the Trustees.
- Ensure this and related policies are being applied consistently.
- Providing oversight of any lapses in safeguarding.
- Ensure that any issues are properly investigated and dealt with quickly, fairly and sensitively, and any reporting to the Police/statutory authorities is carried out.
- Leading the organisation in way that makes everyone feels safe and able to speak up.

## Online Safety

We will identify and manage online risks by ensuring:

- Volunteers, staff and trustees understand how to keep themselves safe online. We may use high privacy settings and password access to meetings to support this.
- The online services we provide are suitable for our users. For example, use age restrictions and offer password protection to help keep people safe.
- The services we use and/or provide are safe and in line with our code of conduct.
- We protect people's personal data and follow data protection legislation.
- We have permission to display any images on our website or social media accounts, including consent from an individual, parent, etc.
- We clearly explain how users can report online concerns. Concerns may be reported using this policy, or direct to a social media provider using their reporting process. If you are unsure, you can contact one of [these organisations](#), who will help you.
- We have adopted and comply with the [Charity AI Ethics & Governance Framework](#).

## Working With Other Organisations

In working with other organisations, including any grant making, we will comply with [Charity Commission guidance](#) by carrying out relevant due diligence and having a written agreement that sets out:

- Our relationship.
- The role of each organisation.
- Monitoring and reporting arrangements.
