AXMINSTER HOSPITAL
LEAGUE OF FRIENDS

Information for Volunteers

The constitution of the League of Friends allows it to support all and any health-related activity in Axminster and the Local area. Along with substantial funding for various projects at the Hospital, the League has supported food banks, befriending services and mental health projects.

Funding for all of these activities was achieved through donations, legacies received from grateful patients and our fundraising events.

We need the support of volunteers to help run our fundraising events. These vary from Open Gardens, pub quizzes, concerts, coffee mornings. As we build our volunteer numbers, we hope to run more ambitious events in the future.

There may also be opportunities to help in the Hospital and we are hoping to help create some garden areas to improve the environment around the Hospital.
